	X-Large 1 1/2": 200 sheet capacity 1.494" outer diameter, 1.332" inner diameter

****Metallic Colors****

Small (3/8" paper capacity) - Are these a different size than "regular" small?

Large (3/4" paper capacity) - Same as regular large?

Note: the punches from the two companies punch identical holes with identical spacing—but prepunched forms and notebooks from Levenger have slightly larger holes, making the pages easier to turn.
